1		Confirmation of First-Time GMC Coverage	We request BIADA to provide written confirmation that this is the first-time implementation of a GMC policy for its employees, as the same is relevant for underwriting and pricing purposes.	first-time implementation
2	SECTION 3: Eligibility Criteria, Pg. No. 3	Solvency Ratio – Requirement of >1.5	We request that the solvency ratio requirement may kindly be waived for PSU General Insurance Companies, considering their public-sector status.	Equal opportunity has been given to all the participants.
3	SECTION 5: DETAILED SCOPE OF COVERAGE & POLICY BENEFITS, Pg. No. 5	Pre- and Post-Hospitalization Expenses	The tender provides for 30 days pre-hospitalization and 60 days post-hospitalization expenses with 100% coverage. We request that the coverage may instead be restricted to a maximum of 10% of the Sum Insured for pre- and post-hospitalization expenses combined. This will help avoid unnecessary escalation in the premium while continuing to provide reasonable coverage to the insured.	Applies only for critical diseases as notified by Gov. of Bihar whereas all hospitals (Superspeciality) across the country will have to be covered.
4	Annexure 4: Financial Bid Format, Pg. No. 12	Top-Up Cover	Kindly clarify whether the proposed Top-Up Cover will be mandatory for all employees or available on a voluntary basis.	Shall be applicable for all employee whose cost will be borne by Employees itself(voluntary basis).
5	Annexure 5 & 6, Pg. No. 13	Bank Guarantee / EMD / Performance Guarantee	We request that the requirements relating to Bank Guarantee / EMD / Performance Guarantee may kindly be waived for PSU General Insurance Companies, as PSU insurers are exempted from such requirements under the applicable provisions/government guidelines.	As per IRDA guidelines.

6	SECTION 5: DETAILED SCOPE OF COVERAGE & POLICY BENEFITS, Pg. No. 5	Removal of Proportionate Deduction Clause	We request that the proportionate deduction clause may be waived/removed. Inclusion of this provision may unnecessarily increase the premium cost and may also affect the benefits available to the insured.	As per RFP
7	SECTION 5: DETAILED SCOPE OF COVERAGE & POLICY BENEFITS, Pg. No. 5	Vaccination Cover for New born Babies	We request that the vaccination expenses for newborn babies may be covered within the overall maternity benefit limit, rather than being provided as an additional unrestricted benefit. This will help contain the overall premium cost.	Accepted.
8	SECTION 7: SERVICE LEVEL AGREEMENTS (SLA) & PENALTY PROVISIONS, Pg. No. 6	Removal/Waiver of Penalty Clause	We request that the penalty clause may kindly be removed/waived, particularly considering the nature of the policy and the practical challenges involved in administration and servicing of a large group health insurance scheme.	As per RFP
9		Empanelment of Hospitals Across All 38 Districts	We wish to highlight the practical difficulty in ensuring empanelment of leading/private hospitals across all 38 districts, as in certain districts, adequate private hospitals fulfilling the specified eligibility criteria for empanelment may not be available. In such cases, it is requested that the insured may be permitted to avail cashless treatment at the nearest available suitable hospital/facility, subject to the applicable policy terms and conditions. This will ensure that employees and their dependents are not deprived of cashless treatment merely due to non-availability of an eligible empaneled hospital in a particular district.	All Central Government Health Scheme(CGHS) registered hospitals. In emergency cases may be treated at local registered Hospital/Doctors which will be reimbursed as per CGHS rates/rules.
10	SECTION 4, Pg. No. 4	Demography of employees & their dependents	Requesting to provide complete demography of the employees & their dependents required to be covered. We request BIADA to kindly consider the above points in the interest of competitive premium, wider coverage, ease of policy administration and better service to the employees and their dependants.	Accepted. Please refer Annexure a & B.
