**BIHAR INDUSTRIAL AREA DEVELOPMENT AUTHORITY  
DEPARTMENT OF INDUSTRIES  
GOVERNMENT OF BIHAR**

Office Order:.....3348/L.....

Date.....19.08.25.....

### **BIADA AMNESTY POLICY, 2025**

In exercise of powers conferred u/s Section 6 (3a) of Bihar Industrial Area Development Authority (BIADA) Act, 1974, (herein after referred to as the Act) as amended from time to time, the Authority has issued the policy and procedure in form of the BIADA Amnesty Policy, 2025 for the allottees ("Units") who are willing to voluntarily come for availing the benefits enshrined in the amnesty policy. This policy aims to minimize litigation on plots and thereby diminish the cost of litigation, consequently unlocking the land for industrialization and to ease and utilize the industrial land so as to provide an opportunity of revival for the closed industries. This Policy shall be effective till 31<sup>st</sup> December, 2025.

1. This Policy is a one-time measure for the industries in order to mitigate the rise of litigation and in the interest of industrialization in the State of Bihar. The Units are expected to acknowledge the intention of the Authority and to take all active measures to establish industry so that industrial progress could be achieved providing fillip to local employment generation.
2. In recent years, it has been found that many industrial units under different Industrial Areas are partially or minimally functional. Inspection of the units had been done and notices were issued to the respective units with a clear averment about cancellation of allotment. On receipt of the show cause or in case of no response, various unit's allotment were cancelled. This led to filing of several Appeals before the Appellate Authority as per BIADA Act, 1974 and also writ petitions before Hon'ble Patna High Court.

 

3. In many of the writ petitions, the Hon'ble High Court has remanded back the matters either to Appellate Authority or to the M.D., BIADA for hearing afresh and to decide the matter on its own merit. It has been observed that there are number of cases which are sub-judice before the different forums. It is also observed that in large number of cases, the Hon'ble High Court has passed interim orders in favour of cancelled units in the form of *status quo*, stay, No third party creation / No coercive action and third-party creation will be subject to the outcome of writ petitions. It is found that several writs, LPA, Modification and Contempt petitions are sub-judice since long time which is indirectly hampering the industrialization in the state and the objective of BIADA is being defeated. During the various discussions with the stake holders/ investors /members of industries associations it was suggested to formulate a revamped Amnesty Policy to mitigate the litigations and provide an opportunity by way of last indulgence to the cancelled units.
4. On consideration of wholesome facts, and that lots of litigation had arisen, it has been deliberated and concluded to come up with a policy where the cancelled units would be allowed one-time amnesty to establish industry and to come undertrial/commercial production within a time framed manner which will depend upon their furnishing a prescribed undertaking affidavit, administrative charge, applicable fees and Bank Guarantee.

**5. Eligibility for Amnesty Policy: -**
